28	Greenbriar .....	New Orleans .....	43	1	0
29	Alps .....	do .....	25	0	0

#### CUBA.

##### *Report from Cienfuegos—Inspection and fumigation of vessels.*

Consul Baehr reports, April 2, as follows:

Week ended March 31, 1906:

Bills of health issued to 7 vessels bound for the United States, with 220 crew, and 46 passengers, tourists, on their return trip to the United States; 3 other passengers landed at this port. The sanitary conditions of these vessels were reported good; no sickness.

No quarantinable diseases reported at this port during the week.

##### *Report from Habana—Inspection of vessels—Dengue fever.*

Passed Assistant Surgeon von Ezdorf reports, April 2, as follows:

Week ended March 31, 1906:

Vessels inspected and bills of health issued .....	27
Vessels not inspected and bills of health issued .....	7
Crew of outgoing vessels inspected .....	1, 075
Crew of outgoing vessels not inspected .....	369
Passengers of outgoing vessels inspected .....	910
Passengers of outgoing vessels not inspected .....	284
Vessels fumigated prior to sailing .....	6
Health certificates issued for Mobile and Florida .....	376

Four new cases of dengue were reported, of which 3 cases in Cuban children remain under treatment.

##### *Application of measures of house sanitation.*

The following is received from Minister Morgan, at Habana, under date of March 29:

As an additional precautionary measure against yellow fever the sanitary department of Habana on Saturday, March 24, reapplied the regulations for house cleaning enforced by General Ludlow in 1899, during the period of the American intervention, but discontinued in 1900. All buildings in the city are rigidly inspected and those found
